Report of Principal and School Improvement Council

The mission of Rudolph Gordon Elementary, in cooperation with home and community, is to prepare children to become lifelong learners and responsible, productive citizens by creating meaningful learning experiences in a safe, nurturing environment. Our goal is to raise the academic challenge and performance of each student by utilizing data to make instructional decisions, implementing research-based "best practices", and integrating technology into classroom lessons.

The vision for Rudolph Gordon Elementary is that all students will engage in classroom activities that encourage problem solving, utilize cooperative learning strategies, and enhance teamwork. A standards-based curriculum is implemented to ensure a continuum of learning from kindergarten through fifth grade. Authentic assessment techniques are incorporated into teaching, and technology is integrated throughout the curriculum to help prepare students for the demands of an ever-changing society.

A balanced literacy model for language arts instruction and Everyday Counts Math are taught in all classrooms, and the writing process is emphasized in all subject areas. Rudolph Gordon Elementary teachers implemented the Fountas and Pinnell model for balanced literacy during the 2013-14 school year. This model is a kindergarten through fifth grade district-wide initiative that allows each child to work at their individual level as they work to master grade level standards. Common Core State Standards are used to plan and teach classroom lessons, and teachers receive on-going training in the understanding and implementation of these standards. Professional Learning Communities are utilized to increase dialogue among faculty members with teachers using data from many sources to plan instruction.

Accomplishments for Rudolph Gordon Elementary include receiving an A rating with a score of 99 on the ESEA federal accountability measure for 2013 and being recognized as a Safe School Award Recipient in 2014 for the sixth straight year. Additionally in 2014, the school received the Palmetto Gold Award for an Excellent student achievement rating.

The PTA works with the faculty and staff to enhance the home-school relationship to positively affect the education of all students. Over 20,000 volunteer hours are reported annually. The School Improvement Council, an advisory committee, assists in the preparation of the school's strategic plan and the annual report to the community.

Our commitment will be to continue to engage students in classroom activities that encourage problem solving, utilize cooperative learning strategies, and enhance teamwork.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
